STARTER KIT
Hurray! You’ve decided to host Pedal to Porch in your neighborhood, and we are so thrilled!

Our mission is to use storytelling to initiate new conversations between neighbors that will inspire connection, celebrate neighborhood history and encourage deeper community involvement.

We took all of our best practices and designed this toolkit. We encourage all organizers to thoroughly read the toolkit before assembling volunteers and storytellers. Remember, use this toolkit in a way that best serves your community needs.

If you decide that you require additional help planning a Pedal to Porch event, please see ”Resources and Consultation” page.

If you have any questions, concerns or feedback, feel free to email us at pedaltoporch@gmail.com.

Thank you for your dedication to driving greater connection between people.

Sincerely,

Cornetta Lane
Founder of Pedal to Porch
There is a lot of ways, in the city, to learn about restaurants, shops, parks and places you should visit, but Pedal to Porch is a really cool way to learn about the people.

- Harsha Nahata
"I KNEW THAT MY NEIGHBORHOOD HAD REALLY GREAT PEOPLE WITH REALLY GREAT STORIES TO SHARE."

- GABRIELA SANTIAGO-ROMERO

Pedal to Porch offers a new spin on storytelling events.

Participants are invited to ride bikes from porch to porch listening to neighborhood stories.

Neighbors deliver a 5-minute story about a significant event that occurred in their home or neighborhood.

**WHY ORGANIZE A PEDAL TO PORCH EVENT?**

1. **PRESERVE HISTORY**
   
   Historical narratives are often forgotten. We keep history alive by sharing stories.

2. **TELL YOUR OWN STORY**
   
   No-one can tell your story better than you. We offer storytelling workshops to help people craft their stories.

3. **EXPLORE THE STREET**
   
   The street level view of a neighborhood is the best way to learn about it’s physical landscape.
